KNOW BEFORE YOU GO

What to Know as a Sponsor

- Only active FICP hospitality partners are permitted to apply for sponsorship and attend FICP events. The fee to become a hospitality partner for 2024 is \$435.
- Hospitality partners must secure sponsorship in order to attend an FICP event.
- FICP offers hospitality partnerships to individuals, not companies. Hospitality partnerships are not transferable among colleagues at any point throughout the year.
- Alternatively, sponsorships are secured at the company level. Only one company and its subsidiaries and/or brands may be represented under a sponsorship. You must be an employee of the sponsoring company and an active FICP hospitality partner to attend an event under that company's sponsorship.
 - Note: Destination Marketing Organizations and Independent Representatives may not include member/affiliated companies under their sponsorship.
- Each company/brand may only secure one sponsorship.

Please reference the [Terms & Conditions for Event Participation](#) for full details.
